WHALEY CHILDREN'S CENTER

In the year 2022, we celebrated significant milestones that have shaped our journey. Among these accomplishments was the opening of our independent living home, a testament to our commitment to the well-being and future of our children as they transition into adulthood. This momentous occasion represents a new chapter in our mission, as we provide a nurturing and supportive environment where our children can flourish and thrive.

The unveiling of our independent living home stands due to the collective efforts and dedication of our community. This achievement would not have been possible without the tireless work of our team and the generosity of our supporters, who wholeheartedly embraced our vision and contributed to its realization.

In addition to this remarkable accomplishment, we also experienced the long-awaited return of the Tux & Tannies Gala and Auction. After a two-year hiatus due to the global pandemic, the revival of this event filled us with great joy. The gala served as a gathering of our supporters, partners, and friends, uniting us in a shared purpose. Their generous contributions played a vital role in raising funds to empower our children and transform lives.

Looking ahead, our hearts are filled with optimism and a renewed sense of purpose. The opening of our independent living home is just the beginning of a new chapter, brimming with endless possibilities for our children. We express our heartfelt gratitude to our incredible community, whose support remains instrumental to our ongoing success. With their continued partnership, we are confident in our ability to provide the best care and support, enabling our children to thrive and lead fulfilling lives. Together we are shaping a brighter future for our children.

At Whaley Children's Center, our children come to us at one of the lowest points in their lives. As victims of neglect, as well as physical, emotional and sexual abuse, they are scared, nervous and confused. With our residential and clinical programs, we build them up—giving them a place to belong and a place to call home. At our Center we help our children grow into strong, confident and resilient young adults.

CARF International has awarded Whaley Children's Center the highest accreditation honor.
