MAKING A DIFFERENCE

By volunteering at Whaley Children’s Center you are helping our children heal, grow, laugh, care and feel loved, just by being you. Without you, we would not be able to transform lives and create futures for nearly 90 children every year. Volunteers are truly an integral part in helping our center thrive.

Whether you are a meticulous organizer, board game guru, terrific tutor, event planner extraordinaire, or even a smiling face, your role as a volunteer will impact our children immensely. Even a few hours can help change a child’s life forever.

The opportunities are endless and we would like to welcome your time and talents. If you have a special talent you would like to share, we will find a place for you. What you can do is only limited by what you want to do.

You can join our family of volunteers today! Call 810.234.3603 or visit www.WhaleyChildren.org to get started.
